

HALLOWEEN POLICY

Lizette's Halloween makeup is exciting and fun!

Demand always exceeds availability, so out of consideration for all guests, please observe the following policies:

Current rates: \$60 for a 1-hr slot, \$120 and up for larger projects.

All first-time appointments require a deposit to hold your reservation. This deposit is nonrefundable if you cancel your appointment with less than 48 hours notice.

Lizette puts personal planning and attention into every Halloween look she creates; often, she has to special order materials and/or handmade costume elements. Therefore, you must inform us of your Halloween costume plan no less than 2 weeks in advance on your appointment. Failure to do so will forfeit your appointment and your nonrefundable deposit, if applicable.

We want your experience to be as calm and efficient as possible. Therefore, we ask that you arrive 15 minutes early. Halloween appointments are booked very tightly and we maintain a waiting list. So, out of consideration for all our guests, those who arrive late to their appointment may not be serviced. Parking can sometimes be difficult in downtown Frankfort on weekends, so please plan accordingly.

Gratuities are never expected but always appreciated. If you wish to tip, please be aware that we can only accept cash or check for gratuity.
